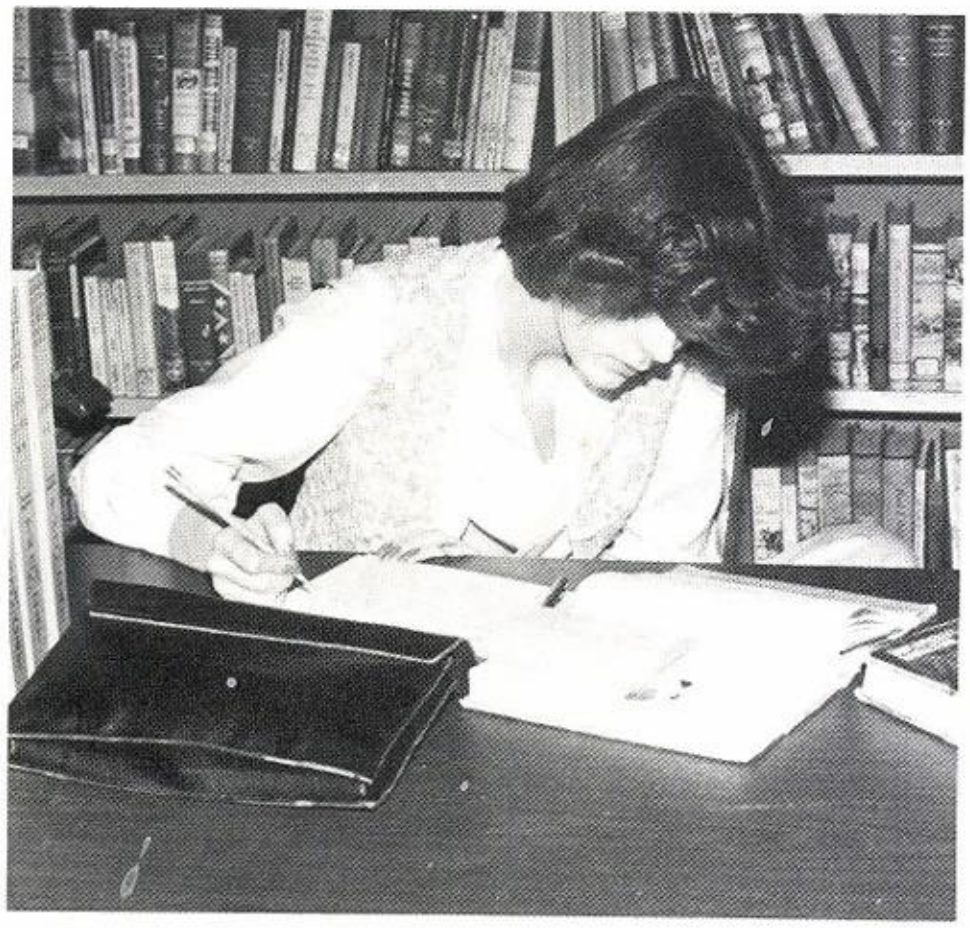
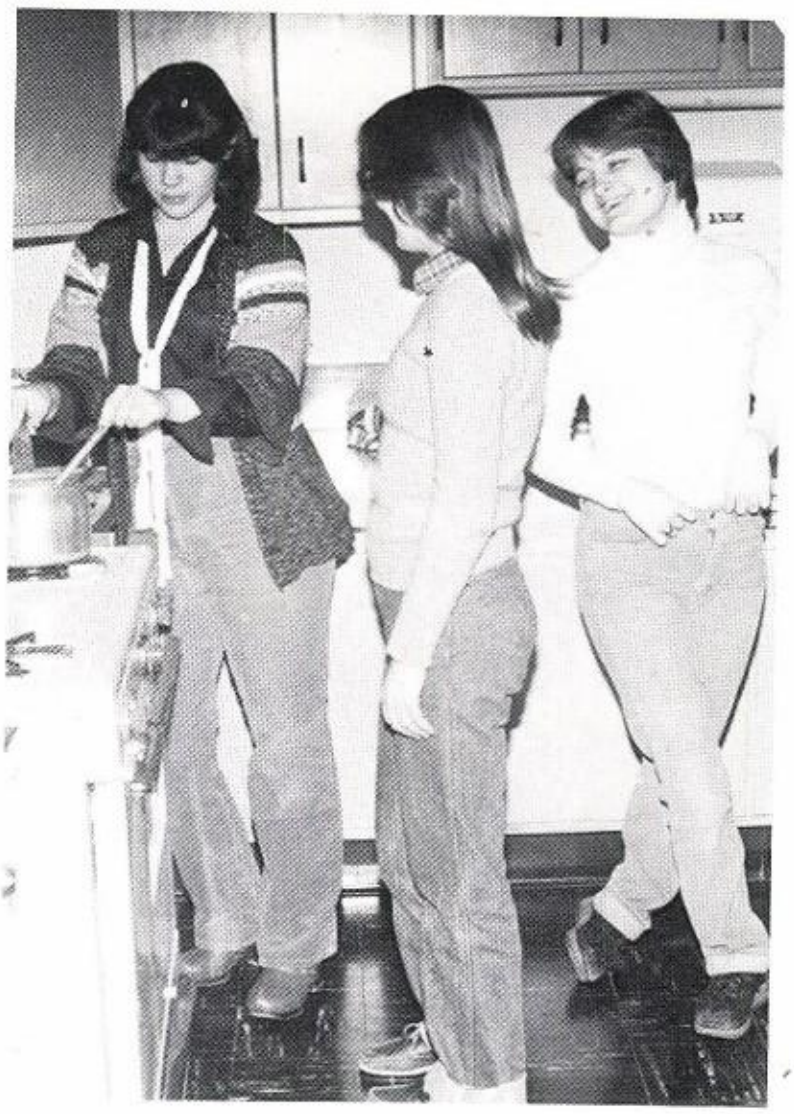
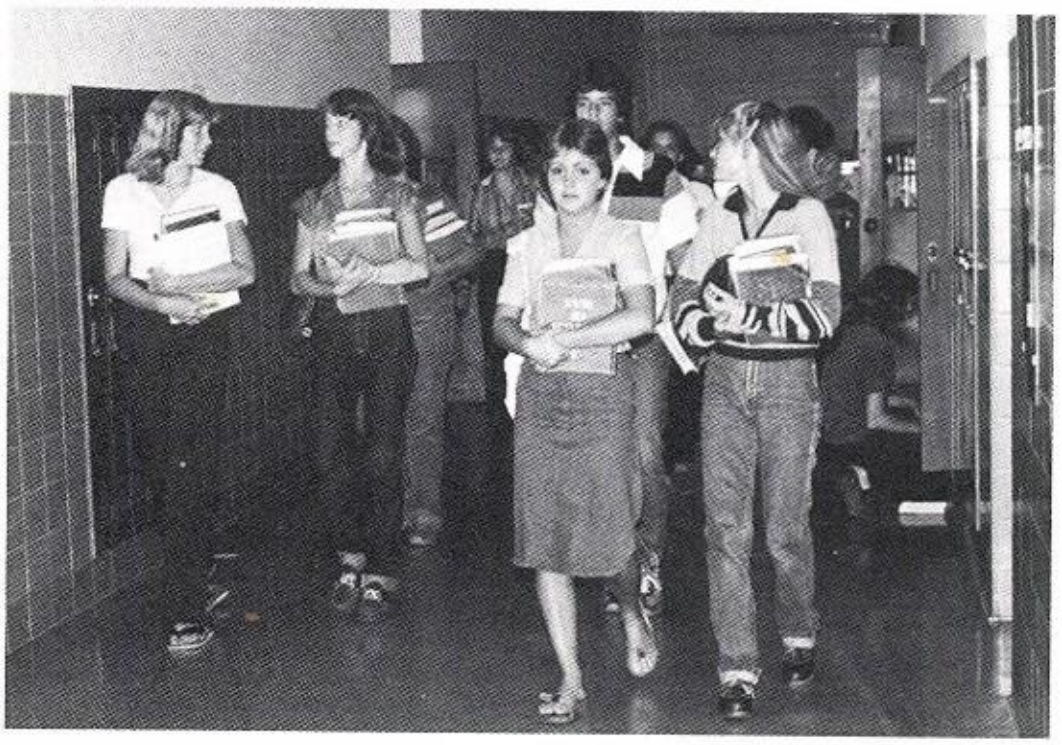
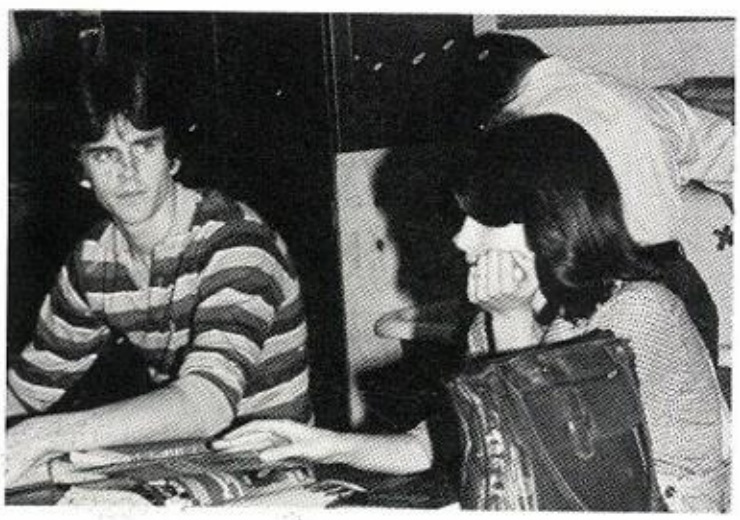
Memories...

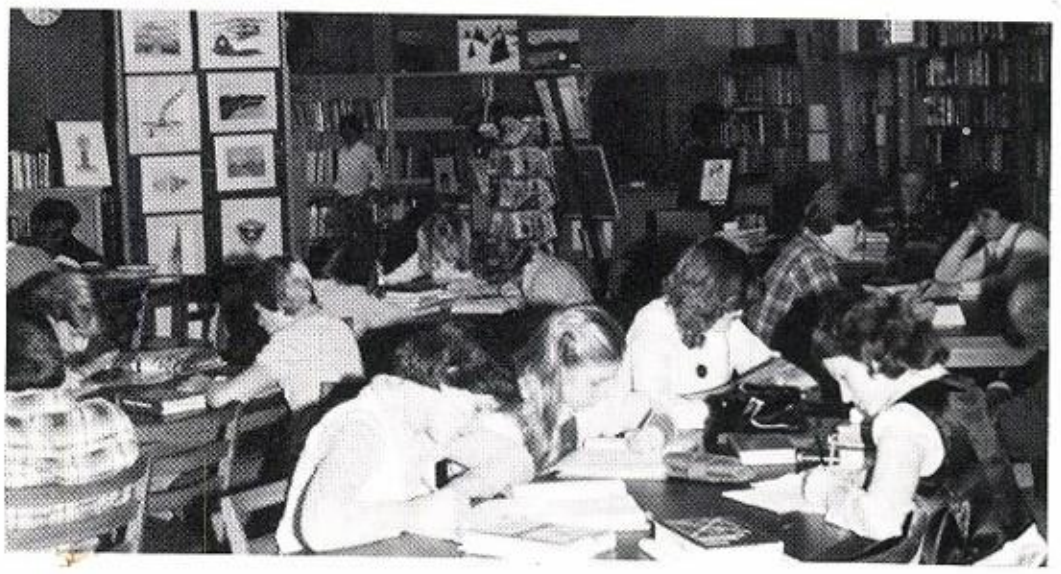


. . . In a book . . .

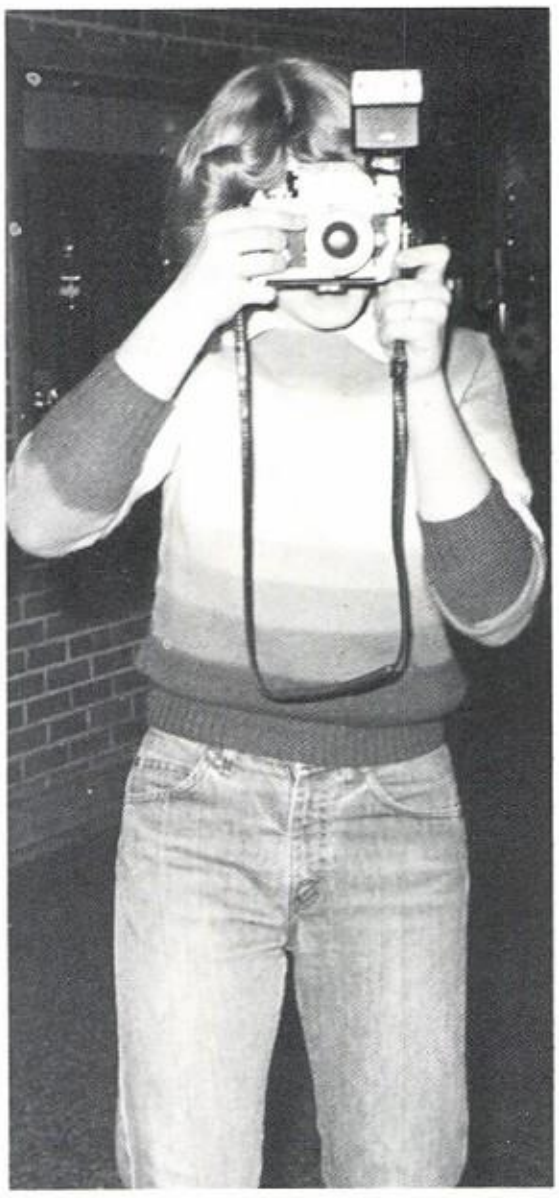


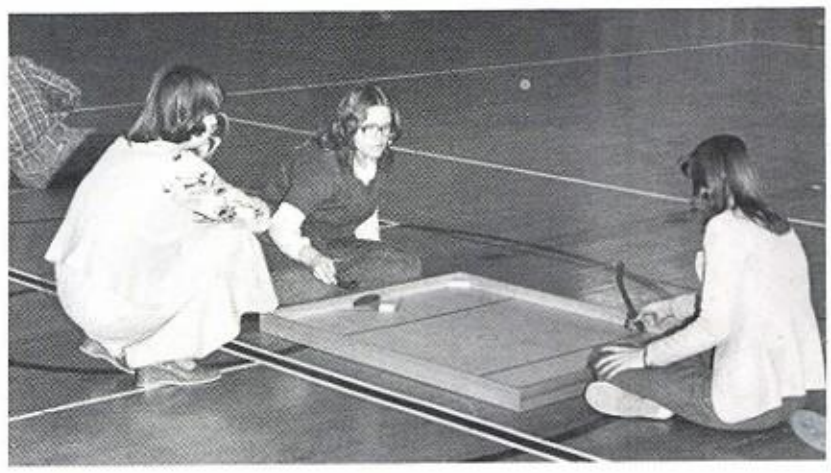


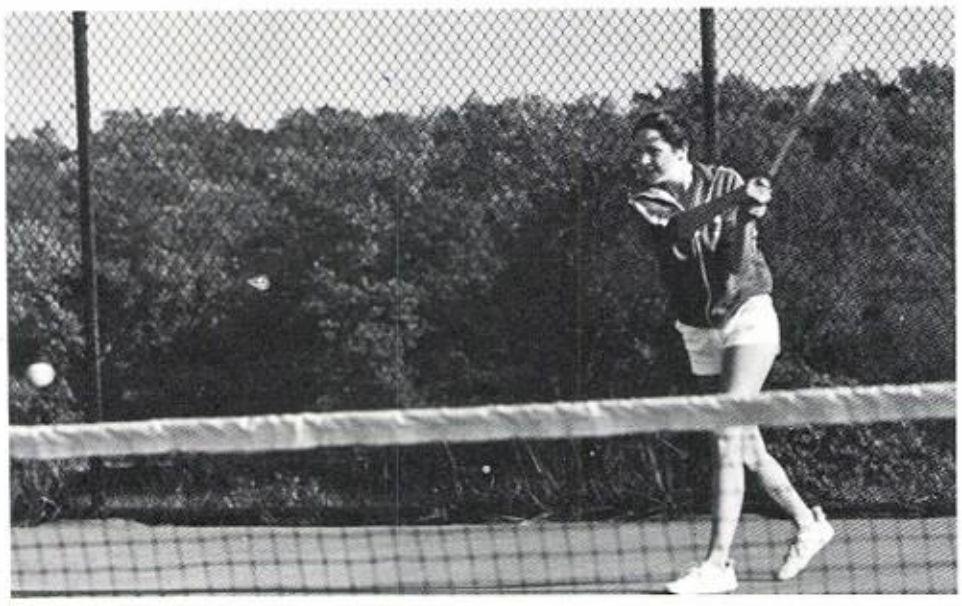




in a box . . .

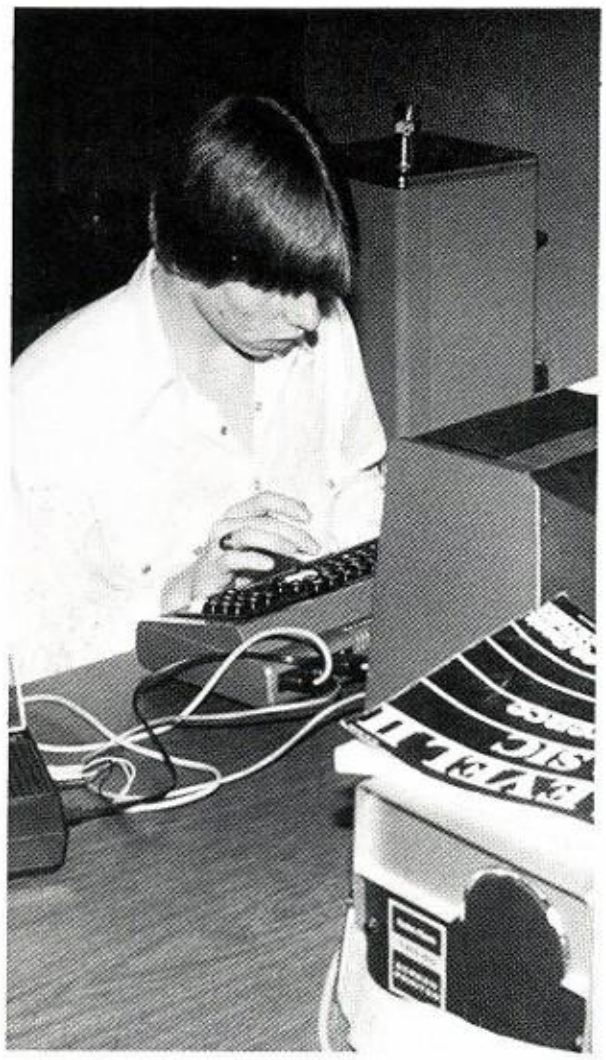


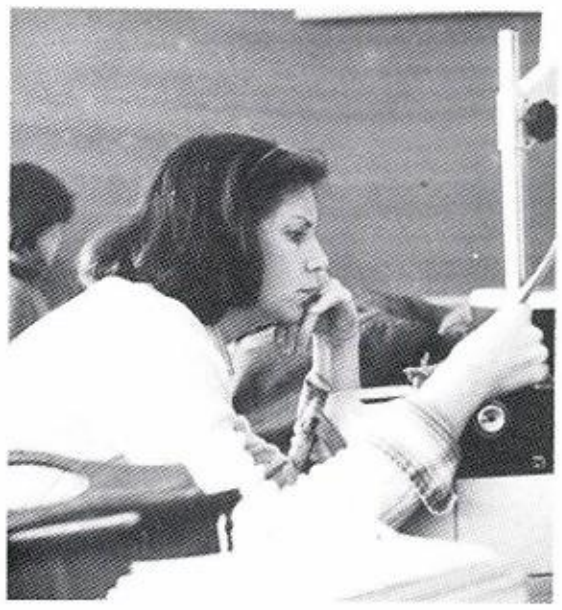




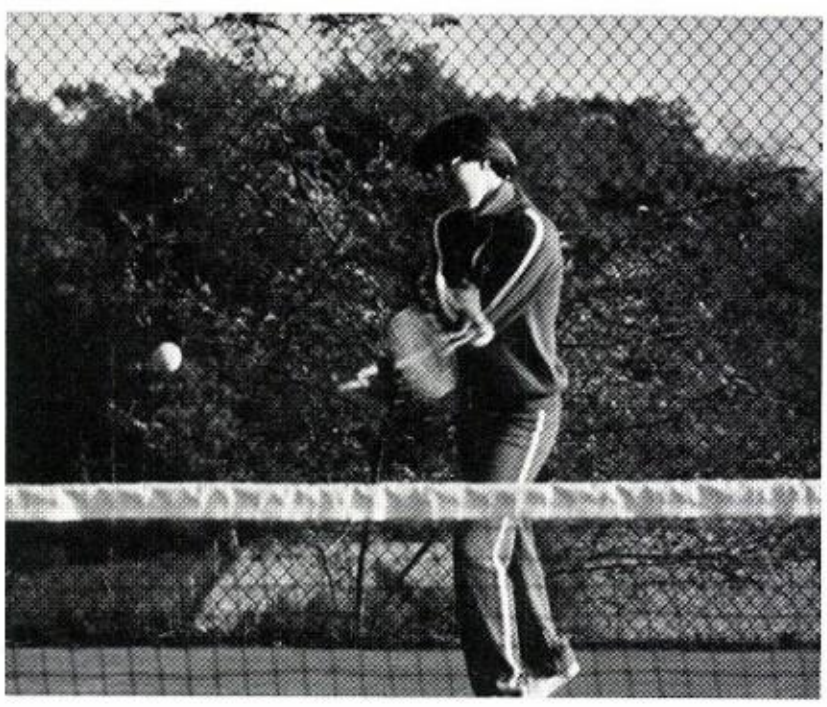
in a corner in the attic.

Buried under pictures,

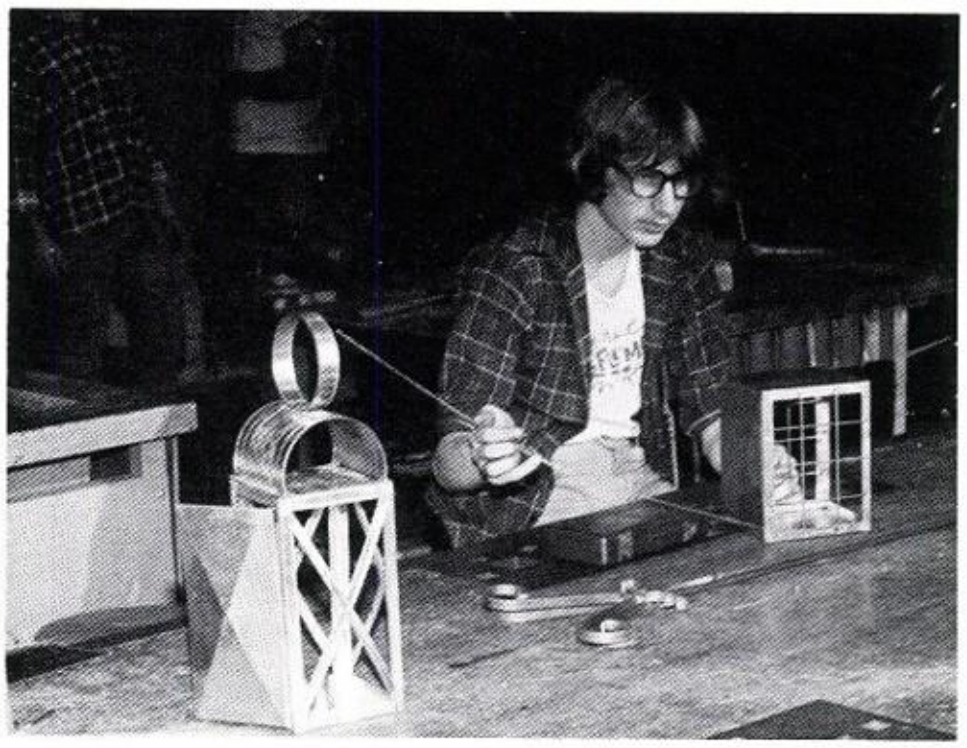


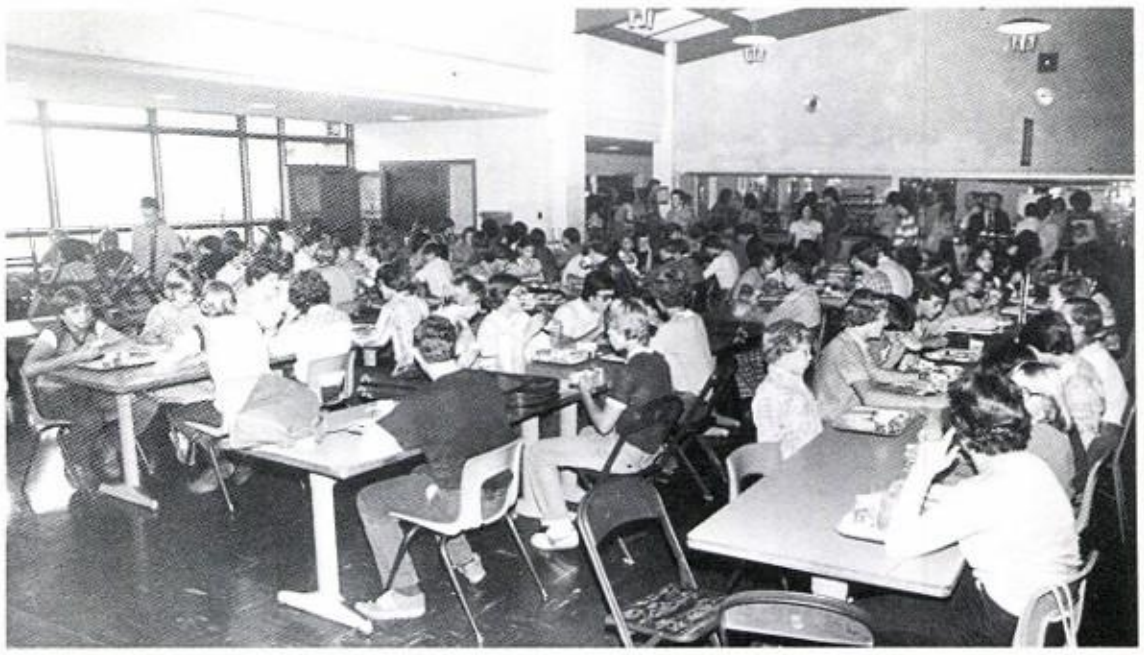


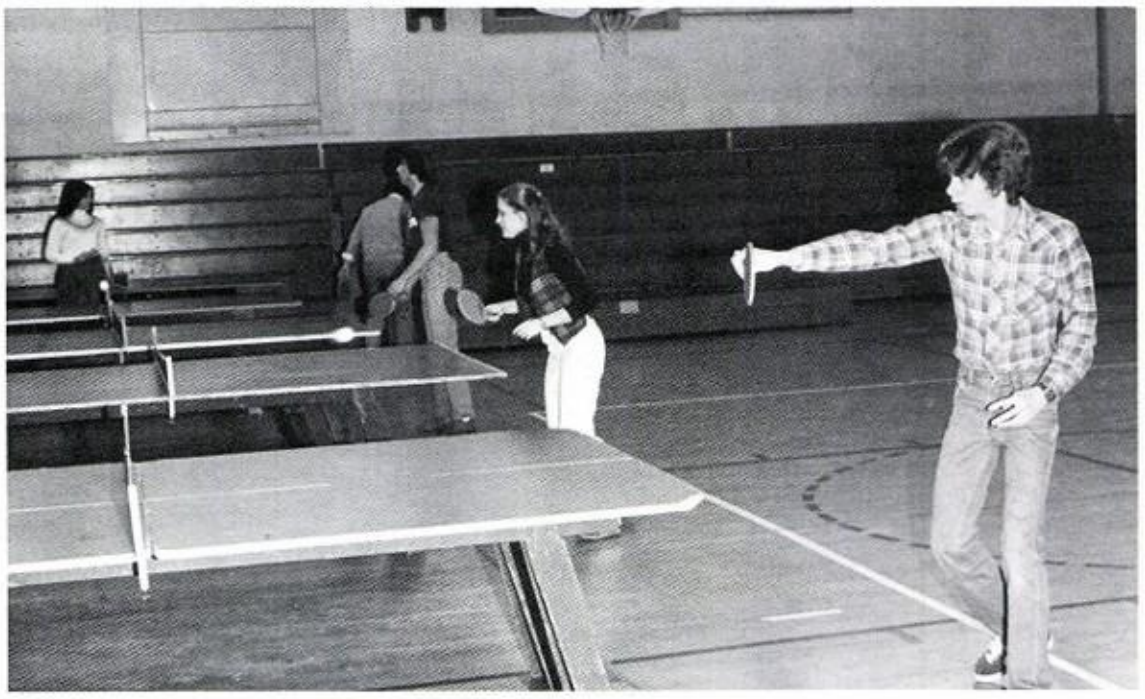
posters,



and pompoms . . .



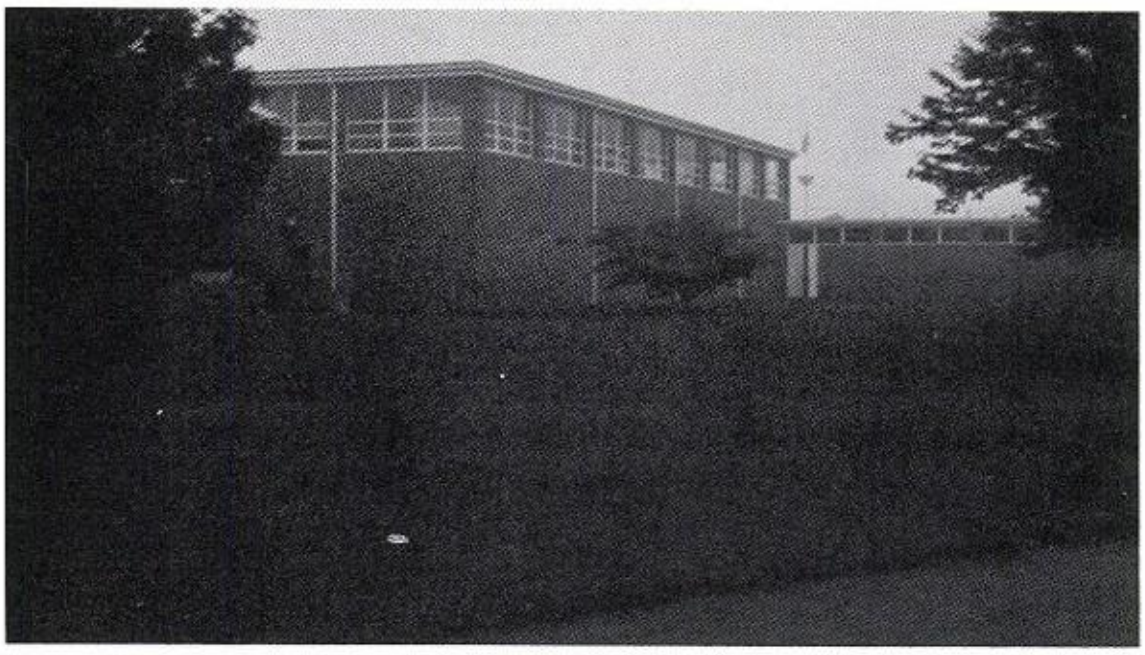


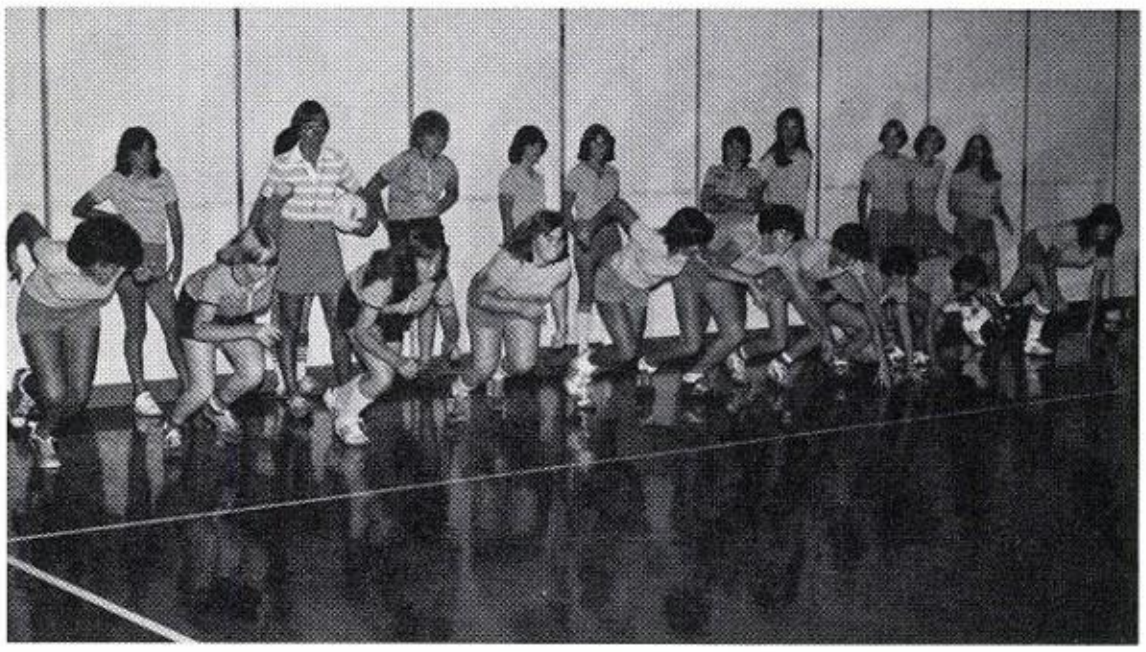


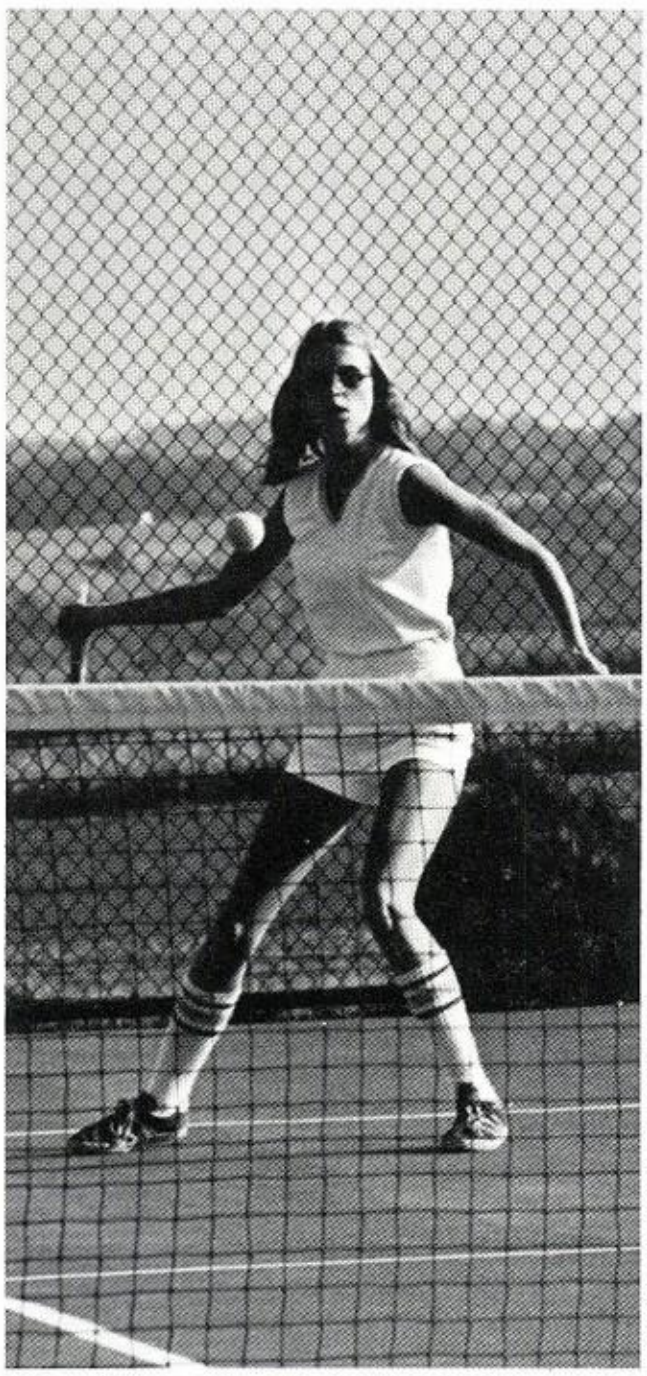
There are memories . . .

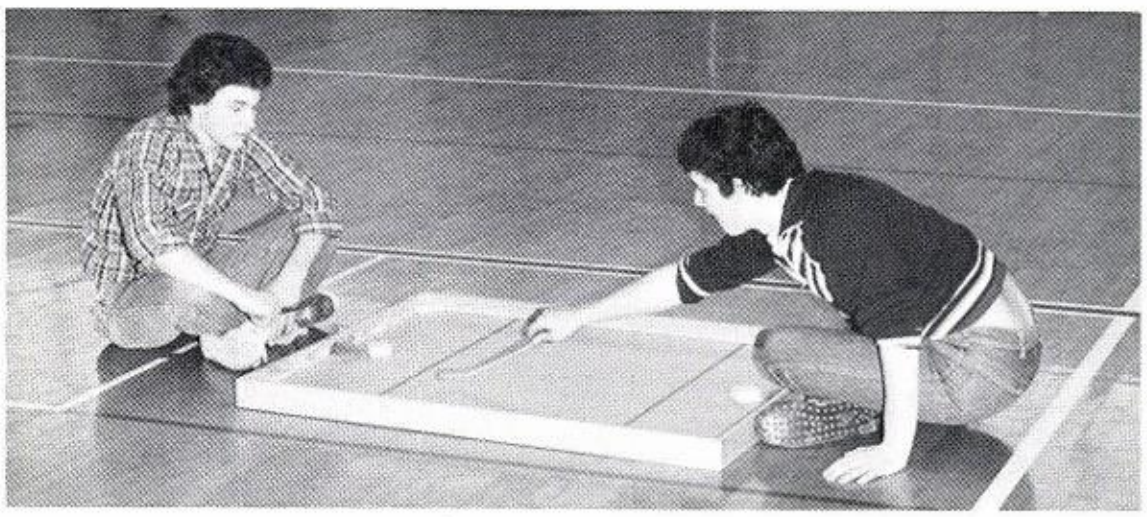
of a year long ago.

If you bring them out . . .

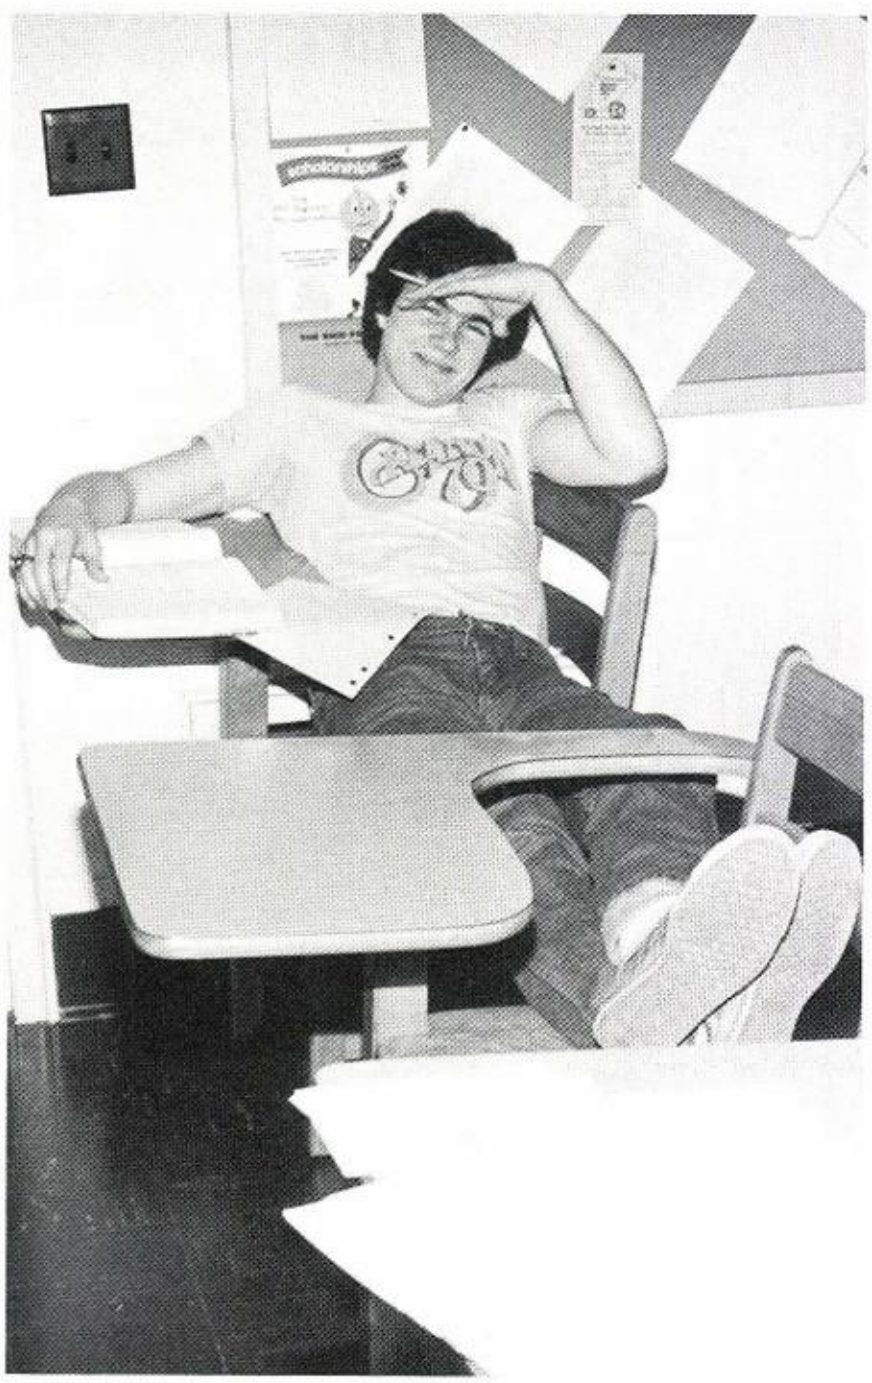








and dust them off . . .



The year will come drifting back.

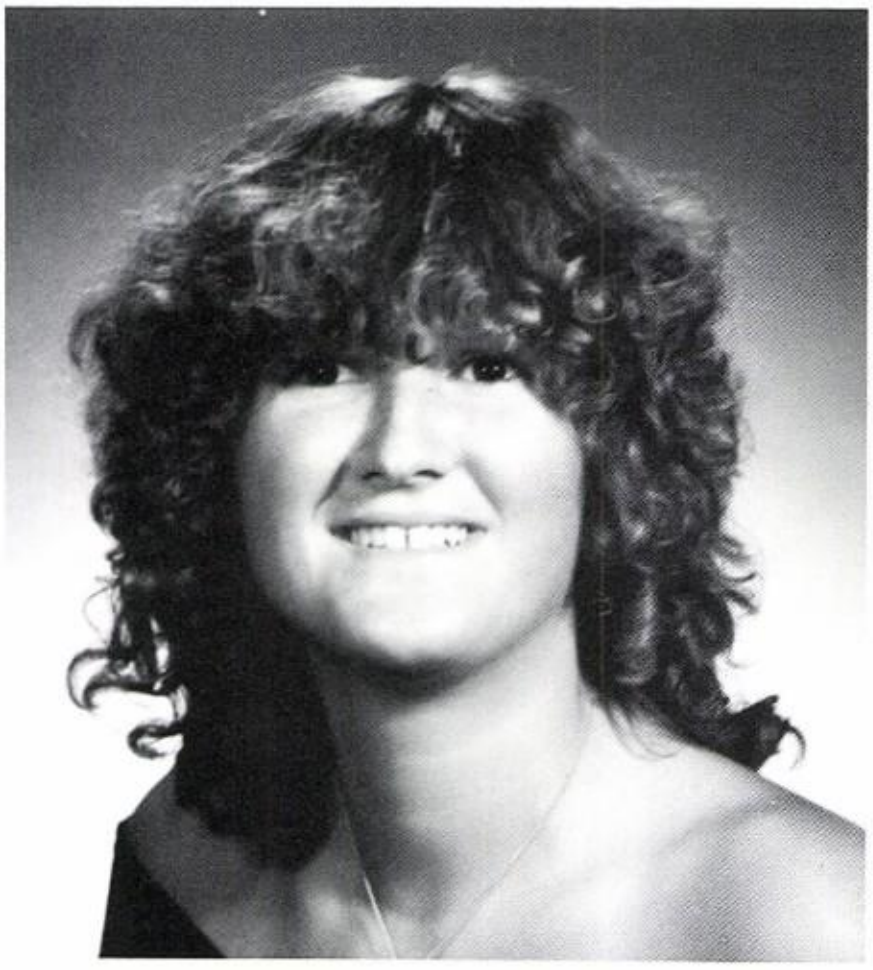
Foreign Exchange Students



GENEVIEVE REES

My name is Genevieve, but most of the kids and teachers have called me Genny because of the difficulty to pronounce my real name. I've been one of the two exchange students of this year and I would like to tell you how I've appreciated Octorara this year.

As I've told a lot of you, life in Belgium is different. Not only because I live in a different family, but also because the way of life is different . . .

Indeed, the school is a lot better here; you have sports, different activities, you may choose your classes and have a lot of other opportunities to learn what you like because of the large amount of courses that we don't have in my country.

In Belgium, I live with my parents and my two brothers and sisters. We live really close together in the village of Rixensart which is about 15 minutes from Bruxelles. Belgium is a small country of 10,000,000 people and stands between France and Germany. The country looks a lot like Pennsylvania. Belgium is divided in three parts, the North which speaks Dutch, the South which speaks French, and the capital, Bruxelles, where we speak both French and Dutch. Some people do speak German in the very South of the country.

I've really enjoyed being here. I'm sad that this program is only for one year, but I hope that I'll see you again.

— Genevieve

Lars Gyldenberg was Octorara's ambassador from Denmark this year. Although Denmark has hamburgers and other American things, Lars said that he found it difficult to adjust. Lars did feel at home on the soccer field and joined the Braves in their winning season. He also belonged to the weightlifting club. In Denmark, Lars enjoyed gymnastics and handball. This handball, however, is nothing like our handball.

Lars first became interested in being an exchange student when a girl from California went to Denmark as one. He wanted to take a year off before he went back to Europe to study textile engineering in Germany. Mr. and Mrs. James Massey were his hosts during his stay in the United States. Lars would like to travel in the States before he returns to Denmark.

In Memoriam

Bill Hurley, a friend and loved one, passed away on November 12, 1979. We accept his death, not because we understand it, but because we realize that in time all of us must leave behind life as we know it. We who knew Bill will always remember the times we shared with him. We are comforted by these memories, and by the thought that Bill now rests in a much better place.

Student Council this year planned many events for the school and the community. Some of these events in school included the Christmas Ball, Youth Week, the changing of the Student Council constitution, the Homecoming Dance, numerous flower sales, and a plaque that was put up in the gym.

In the community, Student Council sponsored a blood drive with the Red Cross, helped with the improvement project of the Route 41-Route 372 intersection, gave food to needy families at Christmas, and had a birthday party for Cheryl Hardy.

National Honor Society

The National Honor Society sponsored many school activities. A Christmas sing-along at Harrison House, flower sales for special occasions and student tutoring were just a few of the activities. An outstanding student was chosen each month as the "Student of the Month." Also, working with the Red Cross, there was a blood drive. Brave students and teachers generously gave blood to help others.

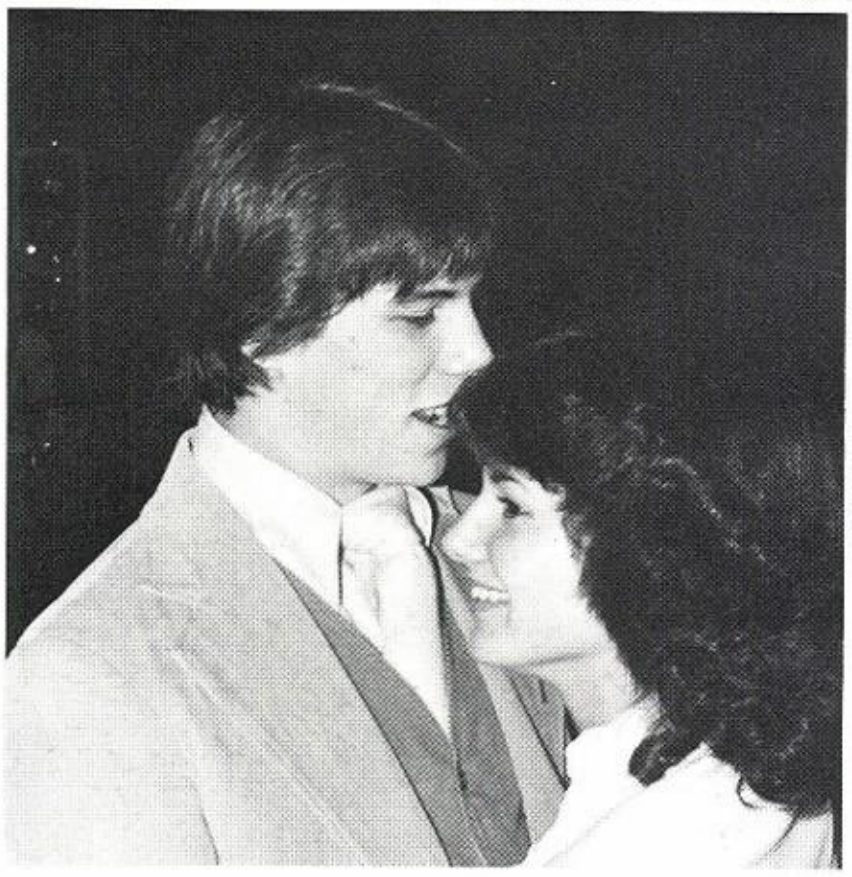
Christmas Ball

The Christmas Ball was held on December 15, 1979. The band *Quadrant* provided the music for the Rock-n-Roll Christmas. Ann Marie Hurley was crowned queen while Betsy Erb and Lori Gill served as her court. Ron Geedey reigned as king. James Graybill and Dale Eby were runners-up.



Youth Week

The theme for Youth Week, which was held February 11 to 14, was THE MANY FACETS OF OCTORARA. There were three basic kinds of projects: the special days which included Sweatsuit Day, Student Teacher Day, and Spirit Day. There were many assemblies such as a movie, *The Odd Couple;* the *Criterions,* a jazz band from West Chester State; two variety shows; and a games assembly which was won by the Juniors. The Seniors came in second.

There were two week-long contests: Secret Admirer where a person received a series of cards containing clues to help his identify his admirer; and Sir and Lady Valentine contest where the winners were the young man and lady whose jars contained the most pennies. Brian Norris and Ann Marie Hurley were tops here. The money from these votes was given to the Cheryl Hardy Fund.

LUKENS STEEL

The men and woman of Lukens Steel Company
salute the Class of '80.

"Education is a companion which no misfortune can depress;
no crime destroy;
no enemy alienate;
no despotism enslave.
At home it is a friend;
abroad an introduction;
in solitude, a solace;
and in society, an ornament.
Without it what is a man?
Only a splendid slave, a reasoning savage."

— Varle

Congratulations and best wishes for your future success.

Chialao Ly, who came to us from Laos, attended Octorara High School for almost three years. When he moved to Michigan, he left his heart at Octorara. Chia sent us this picture to be published in the 1980 VENTURE so that his many friends would remember him.

Kathleen L. Ake

The VENTURE staff would like to extend our particular gratitude to our adviser. Miss Ake will be leaving us after this year and we would like to take this opportunity to thank her for her years of service. She has been the VENTURE adviser ever since Octorara has existed and before this she was the adviser at Parkesburg. We wish Miss Ake a pleasant retirement and, on behalf of this VENTURE staff and ones gone by, thank you ever so much, Miss Ake. We all will miss you.
